ABOUT ME

I have graduated with very great distinction in computer science from AAU University, which is well-known for its academic excellence. I gained a strong foundation in both theoretical and practical skills. Obtaining a Bachelor's degree in Computer Science with an outstanding CGPA of 3.75 demonstrates my commitment and competence in the field. Along with my academic accomplishments, I also hold a year of work experience as an Associate Engineer with a focus on web development and knowledge of Firebase and Angular.
